

Purchase of Professional Carpet Cleaner

RECOMMENDATION:

The library is looking to purchase a professional grade carpet cleaner to replace the current unit that broke. The proposed unit is a powerful machine that is more appropriate for a professional environment. It will enable our maintenance team the opportunity to easily and efficiently spot clean spills and high traffic areas in between professional cleanings. During the demonstration, the machine successfully removed stains that remained after the recent professional cleaning.

QUOTE:

Supernova Machine

12 gallon- 1200PSN = \$5,600.00

Est. Shipping

\$300 (not including lift gate and pallet jack).

TOTAL: \$5,900.00
